

Jeanneau 37 Antinea

Antinea is an outstanding example of a mid-sized cruising boat with excellent performance and dependability, and is simple to operate. She has two cabins, one large head with separated shower, 53 gallons of fresh water.

Her 29hp Yanmar diesel engine w/34 gallon fuel capacity gives her plenty of cruising distance and Yanmar reliability.

Standard Mainsail rig w Doyle stack pack

Bimini & Dodger

Antinea is available for charter at \$3,700 per week out of Cove Haven Marine in Barrington RI from her permanent slip
